Frequently Asked Questions

When is the consignment ready?

The consignment is ready to be collected as soon as you receive the packing list and commercial invoice from either Martin Audio or GXO Logistics

Is there a restriction on vehicle type for collection?

No restrictions, all vehicles can be accommodated, but our preference is rear loading vehicles that are suitable for dock levellers for ease of loading.

Site instructions and directions

Site instructions:

Upon arrival on site please book in at the security gate stating the collection reference number (which is provided in the original collection notification email)

Other information: -

In addition to measuring on time in full (OTIF) and in order to ensure 100% compliance with the requirements set out in this document, we will monitor the following additional details for each delivery/collection: -

- Conformity to the booking in procedure
- Arrival time vs agreed booking slot.
- Conformity of collection paperwork
- Vehicle conformity and safety
- Driver behaviour
